

Touch-screen technology that puts information at your finger tips,
Experience Tyler's Odyssey® InSession for Judges.

InSession for Judges provides access to complete electronic case files. This in-courtroom solution enables you to control case information efficiently and securely... right from the bench.

Eliminate paper file folders. Enter notes. Bookmark vital documents. View summaries of essential case information. Concentrate on matters before you, not the keyboard in front of you. Command this emerging technology with a simple touch.

Experience **Tyler's Odyssey InSession for Judges** and empower your courtroom.

Coming in 2010.

Empowering people who serve the public™
